Dear Dick:

I want to humbly apologize for not attending our Society's meetings, since I have been missing the good fellowship, as well as the educational aspects of our get-togethers.

My chief purpose however in writing this note is to tell you regretfully that I am unable to do the Paper for May. I have had very little time at home since I have taken on this job, and I feel that I could not do justice to my assignment in merely scribbling some notes.

While I know that this puts you in a hole, you have my assurance that I will make it up to you as soon as I can get a breather.

I hope that you, as well as the other members will understand my position and will not feel that I am letting them down.

Sincerely,

JAMES HENDEL

Dear Mr. Lloyd:

I wish to acknowledge with many thanks, your letter of 8 February, with enclosure, informing me of my having been accepted as a Corresponding Member of the Society.

I feel both very pleased and honored at becoming a member and I am certain that when the present extraordinary circumstances in my homeland permit one to return to normal-everyday conditions, I shall be very happy to be useful - in a very unimportant way - to the Society as well as to any of its individual members.

Once again thanking you for the distinction granted me, I remain,

Very truly yours

PITTSBURGH BICENTENNIAL ASSOCIATION

EXPRESS 1-1758

August 3, 1959

Dear Coin Collector:

Based upon the interest displayed by various coin clubs throughout the United States and Canada in the official Pittsburgh Bicentennial Medallion, I thought I would bring to your personal attention the availability of a limited number of these medallions in Pittsburgh.

Pittsburgh's Bicentennial Commemoration draws to a close within the next few months and it is believed that your members might be interested in the purchase of one or more of these medallions for their collection. The enclosed reproduction of the medallion depicts, on one side, modern Pittsburgh with the Allegheny River on the left and the Monongahela River on the right flowing to form the Ohio River. On the reverse side is a map depicting the Point and Fort Pitt in 1758, together with the official seals of the County of Allegheny, the City of Pittsburgh and The Pittsburgh Bicentennial.

These medallions may be purchased by forwarding a check or money order, in the amount of \$3.50, to the Pittsburgh Bicentennial Association, Room 776, Gateway Building #1, Pittsburgh 22, Pennsylvania.

Thank you for your cooperation, and hopeful of your participation.

Sincerely,

Earl E. Riley,
Administrative Director

To Coin Clubs Affiliated with the A. N. A.:

As many of your members probably already know, I am a candidate for the Office of President of the American Numismatic Association in the forthcoming elections to be held in August in the Portland, Oregon, A. N. A. Convention.

I am taking this means to let your members, who are also A.N.A. members, know a little more about my qualifications for this office and my program if elected.

I have been a member of the A.N.A. since 1934, holding membership No. 4343 (Life Member certificate No. 77 arrived at home while I was still on the high seas heading for Europe with the U. S. Army in December, 1943). I have served on the A.N.A. Board of Governors, acted as General Chairman of an A.N.A. Convention, Chairman of a National Coin Week for A.N.A., past president of the Chicago Coin Club and am at present President of the Central States Numismatic Society.

My occupation is Industrial Security Administrator for the U. S. Navy for the entire Central United States from Canada to Mexico, and Michigan, Indiana down the Mississippi across to the Rockies. I have been working for the U. S. Government for twenty-three years, including four with the U. S. Army of which two years were abroad from 1943 to 1945, during World War II in the Counter-Intelligence Corps (CIC) and Office of Strategic Services (OSS). I served in England, France, Belgium, Holland, Luxembourg and Germany.

Let me here say that I am not affiliated with, not attached to, do not have any associations with, am not obligated to, nor in any way, shape or form connected with any person, group or clique of any political faction or otherwise, in or out of the A.N.A. I am not running for President of the A.N.A. because I am politically ambitious but because of moral principles.

Checking thru the membership in the A.N.A., reveals that the collecting interests of the vast majority of its members is strictly U.S. coins. Therefore, I believe it is the duty of the A.N.A. to work unceasingly toward the goal of receiving more consideration from the Treasury Department. Why can't coin collectors receive the same consideration from the Treasury that stamp collectors do from the Post Office? Why can't silver dollars be struck in proof? Why can't an occasional commemorative coin be included in the proof sets? Why can't the Treasury furnish "select" mint sets? There is no reason why these goals cannot be reached. Our main stumbling block is a handful of minor officials who don't want to accommodate collectors. However, with a concentrated campaign, collectors can go over the heads of these officials. Stamp collectors have done it, why not coin collectors!

I believe that the A.N.A. should put less emphasis on classical coins (ancients) and more on what its members are interested in . . . U.S. items.

I respectfully solicit the vote of every A.N.A. member who is in agreement with the aims outlined in this letter.

Numismatically yours,

Harry X Boosel

Greetings to you and your fellow Numismatists:

We request your vote for Matt Rothert for another term as Second Vice-President of the A.N.A.

Matt Rothert is A.N.A. life member #219, as you know, and has served our National Society as a member of the Heath Literary Awards Committee when Col. Moss was President. He also has been both a member of and later chairman of the Educational Committee and has been Second Vice-President for one term.

As Second Vice-President, Mr. Rothert is editor of the American Numismatic Association Officers Bulletin and works to help keep local clubs in contact with the A.N.A.

Mr. Rothert has been an active collector for years, his numismatic displays have won many awards at various meetings. Mr. Rothert has made many public talks before service clubs and coin clubs on numismatic subjects.

He has been an officer in many other organizations including Rotary Club, Gideons, National Association of Manufacturers, Shriners, Arkansas Numismatic Society, Camden Coin Club, Camden Chamber of Commerce, and the Arkansas State Chamber of Commerce.

He initiated and worked for the motto "In God We Trust" to be placed on our currency and with the help of others, the bill was passed by Congress, as you know, making this a reality.

Mr. Rothert is a fine candidate and we request your support and the support of your A.N.A. members for him. As you know, there is a contest for this office. We feel strongly that his re-election will greatly benefit all our clubs and our National Association, therefore we do ask you to vote for Matt Rothert when the A.N.A. ballots come out in July.

Matt Rothert is a past president of the Arkansas Numismatic Society. Since there is a contest, each vote is important. Thank you.
